June 2018

## From the Principal's Desk...

Greetings Falcon Families and Farewell,

I start this newsletter wishing the Class of 2018 the best of luck as they start the next chapter in their lives. Go and be great Class of 2018, and know that you will be missed. I would also like to extend a special welcome to the Class of 2024 and their families who will join the middle-high school in the fall. The Class of 2024 will also start a new journey as they enter middle school, and we promise to make this a great experience for all with the support of our families and community.

To all students and families remember summer doesn't mean learning stops. Although many students view the end of the school year as a time where learning stops, here at Brown Deer Middle High School we believe that learning is an ongoing process that does not stop, nor slow down for the summer months. It is important that all students maintain their academic focus throughout the summer months. Several of our students are involved in summer academic camps at surrounding universities, while others are participating in various internships. There are also a variety of summer reading opportunities made available for all students through our local library, summer school, and CLC program. I encourage families to get your student involved in some academic activities as it can only increase their rate of success.

Last, the middle school supply lists are included in this mailing for your convenience. Please refer to the school website for high school supplies. The calendar of summer events is included with this letter for your review and planning. I look forward to seeing everyone back in the fall.

Enjoy your summer,  
Tosha Womack  
Principal
